CAN YOU HELP

Are you planning to attend one or more fairs over the next twelve months? If so, can you help us to help you obtain the widest publicity possible by promoting the coming events to the general public? Are you able to distribute or leave event flyers at suitable outlets in your local area or elsewhere, including, collector shops, convenience stores, newsagents, video rental shops, etc. If attending other fairs or events as a trader/stallholder, place them on a designated table for flyers or on your table or insert them in carry bags with customer purchases. We can supply as many flyers as you may need. Any help would be appreciated. Please seek permission from staff before leaving flyers at any outlet.
